EXPERIENCE

JUL 2017 Graphic Designer

DEC 2018 Associated Students, Inc. at California State University Long Beach

Designed various posters, flyers and online assets for on-campus events. I am also responsible for communicating with faculty and student clients through Basecamp (a cloud collaboration tool/platform) and keeping previous designs updated.

JUN 2018 Graphic Design Intern

AUG 2018 Optimist Inc.

Assist senior designers with initial research and information collection. Worked on creating visual deliverables, logos, and packaging designs. I am also responsible for communicating and cooperating with other departments, as well as organizing files on Google Drive.

MAR 2018 Graphic Designer

Collaboration with KymeChow Communications

Worked with a group of designers that focused on branding, packaging, and point-of-sale design for Keto Vortex products. We created mockups for Keto Life Bar, Life Ball and Marshmallow, identified the brand's art direction and target audience, and come up with advertising concept. Presented final conceptualization to the clients at Hong Kong Polytechnic University.

OCT 2017 Freelance Graphic Designer

PRESENT Yeelong Tech Inc.

Made online promotions, ads, and social media posts. Also Supervised packaging design on the side.
